

Activity Permission Form (MVCC Youth)

Dear Parents, this permission form covers all youth related activities and events during the course of the year. This form does not provide coverage for district events, except for the transportation to and from the event. Individual forms will be given for those events. Please fill out this form and return it to the youth pastor by email or in person. This form needs to be completed before your child travels with us. We only need one form per family.
